Centennial Bank 5-Star Rated for 26 Consecutive Quarters

September 2018: BauerFinancial, Inc., the Nation's Premier Bank Rating Firm, proudly affirms that **Centennial Bank, Texas** has once again earned its highest (**5-Star**) rating for financial strength and stability. Earning a 5-Star rating indicates this bank excels in areas of capital adequacy, profitability, asset quality and much more. In fact, Centennial Bank has earned and maintained this top rating for 26 consecutive quarters.

"This achievement requires tremendous resilience and fortitude," observes Karen Dorway, president of BauerFinancial. "We saw a lot of banks that were lacking those qualities that are, unfortunately, no longer around. But community banks, like Centennial Bank, have some definite advantages. Its smaller size allows its team to know each customer more intimately, which not only makes *every* customer a priority, it also improves loan underwriting."

Centennial Bank has been making its neighbors its number 1 priority since 1934. Today, after 84 years, it is creating a better banking experience for customers through 14 conveniently located offices across West Texas, the South Plains, the Hill Country and Austin and can also be found online at bankoncb.com.

Member of the **FDIC** and an Equal Housing Lender.
